PROFESSIONAL SUMMARY

Highly motivated B.Tech student and Frontend Developer aspirant with practical experience in developing responsive and interactive web applications. Skilled in HTML, CSS, JavaScript, and Java with a strong understanding of principles and responsive design. Passionate about building user-friendly websites, improving technical expertise, and contributing to innovative development projects.

TECHNICAL SKILLS

- Languages: Java, JavaScript
- Frontend Development: HTML5, CSS3, JavaScript, Responsive Web Design
- Tools & Platforms: Git (Basics), VS Code
- Concepts: UI Design, Problem Solving, Debugging

PROJECT EXPERIENCE

- Facebook Clone – Developed a responsive social media interface inspired by Facebook using HTML, CSS, and JavaScript. Implemented structured layouts, navigation components, and responsive sections for enhanced user experience across devices.
- Personal Portfolio Website – Created a professional portfolio website to showcase projects, skills, and achievements. Optimized the website for performance, responsiveness, and clean user interface design.
- Weather App- Currently working.

EDUCATION

- Bachelor of Technology (B.Tech), MIET | 2023 – 2027 | Current CGPA: 7.5 – 8.0
- Class XII, BNG International School, Meerut | 2023
- Class X, BNG International School, Meerut | 2021

CORE STRENGTHS

- Strong Communication & Team Collaboration
- Problem Solving & Analytical Thinking
- Fast Learner with Adaptability to New Technologies
- Attention to Detail & Creative Thinking
- Self-Learning and Continuous Skill Improvement

CAREER OBJECTIVE

To secure a challenging Frontend Developer role where I can apply my technical and creative skills, gain industry experience, and contribute to developing scalable and user-friendly web applications.
